ABOUT THE COLLEGE

Situated at the heart of Chennai, Ethiraj College for Women is known for its high standards of academic excellence - a constant zeal and a perpetual quest to seek new knowledge. The sound visionary values on which the Institution is built has enabled the College to secure the prestigious College with Potential for Excellence (CPE) grant and in recognition of its conscientious efforts to uphold good standards in education, it was accorded the Five Star Status by NAAC. Thousands of students have passed out of the portals of the College, carrying with them the aura and dignity of the institution itself. The proud students of Ethiraj College occupy enviable positions

all over the world including diplomatic circles, law and order, teaching, scientists, media, NGOs etc. They have also won many international and national awards for their contribution to the nation's cultural and educational legacy.

ABOUT THE DEPARTMENT

The Postgraduate and Research Department of English began its journey in 1948 with the introduction of Foundation English for all the undergraduate students. The Undergraduate Programme in English, started in 1962, has been highly successful, and has produced excellent results over the years. In recognition of its potential, it was upgraded as a Postgraduate Department in 1971 and later as a Research Department offering M.Phil. and Ph. D. programmes in 1989 and 1996 respectively. The reputation of the courses offered by the department has steadily grown over the years in terms of quality and strength and continues to be in demand among students.

ABOUT THE FDP

The main objective of the FDP is to enlighten teachers about the various techniques that are available in the social networking sites to enhance English language learning through innovative ways and also to help students who are unable to access expensive technologies. The pandemic period has made us realize the importance of social networking sites in bringing people together. Today, we also understand that technology can be efficiently utilized to reach out to the students and thereby creating an exciting atmosphere for the language learning process. The resource persons will speak on myriad topics related

to technology-enabled learning and the FDP aims to bring to the fore discussions on innovative methods and approaches to English Language Teaching using social networking platforms.
