

COMMUNITY SERVICE SCHEME

The motto of the CSS club is to “Care and Share”. It is the duty of every CSS volunteer to be socially responsible and to sensitize others on the importance of social responsibility. In this manner the community service scheme is working towards the betterment of society. We are constantly encouraging students to take part in social activities and ensuring that the students of our college evolve into socially responsible and empathetic human beings that the society can lean on.

The activities of this academic year were organised by the Conveners of both Aided stream Mrs. H. Sivasankari (Department of Geography) and Self Supporting stream Mrs.A.Radhika (Department of BCA) and Mrs.T.S.R.VijayJanani (Department of B.com Honours).
