## WORLD'S LARGEST WOMEN'S BASED CLUB

An ensemble of support and grandeur, Rotaract Club of Ethiraj has always been a magnificent pillar of the district right from its inception. A club that has stood by its values and standards, has now emerged as an example to look upon by every other club.

"Never underestimate the power of women!" is not only a quote that suits them but also resonates to the entire fraternity, the power of women and their capability to envisage themselves as stupendous leaders.

A club with a resounding legacy, has produced a plethora of strong and charismatic women leaders that have been a key ray of support for numerous initiatives and events conceived by the District Rotaract Council all through these years.

An unceasing fervour that is crafted by a powerful set of innovative young minds that are gathered and guided ably by a lot of benevolent and supportive management.

A club that tops not only in numbers, but also in crafting need of the hour initiatives and sustainable projects that have stood out every year. Their significant projects have been instrumental in creating a desirable change in the mindset of young leaders to initiate viable projects.

The District Rotaract Council takes immense pleasure and pride in accrediting this award once again on the Rotaract Club of Ethiraj College for Women in this glorious South Asian Summit, ROTASA 2022, conducted from 19th March to 20th March 2022 at Ethiraj Village Resorts, Madhavapuram.
