ABOUT THE COLLEGE

Ethiraj College for Women was founded by the illustrious Barrister-at-law, Shri. V.L. Ethiraj in 1948. The College is a living testimony to the munificence of our revered founder Shri. V.L. Ethiraj for it stands today as a magnificent citadel of learning with 75 years of splendid achievements and commitment to the mission of enabling students to blossom into knowledgeable, skilled, moral, and ethical citizens with courage and character. Our College is one of the select Colleges recognized nationwide as a College with Potential for Excellence. Our College is proudly celebrating its 75th Jubilee this year. The College is awarded the 65th rank at the All India Level by the National Institutional Ranking Frame Work by the Ministry of Human Resource Development 2022. The College offers about 76 programs across different levels of study- UG, PG & Research with a strength of nearly 8000 students of Aided & Self-Supporting streams. The students of Ethiraj College are currently occupying enviable positions all over the world. Every endeavor of the college is inspired by its motto TO STRIVE, TO SEEK, TO FIND AND NOT TO YIELD.

ABOUT THE DEPARTMENTS

The Department of Mathematics was established in the year 1948, offering Mathematics as an ancillary subject to students of other disciplines. In 1980 it became a major Department and in 1989, the Self-Supporting (SS) stream was started. In 1994 Post Graduate status was acquired and M.Phil. Course was introduced in 2005. There are seven experienced faculty members in the Aided Department out of which five are Doctorates. In the Self Supporting stream, there are eleven experienced faculty members out of which three are Doctorates. The Department is equipped with well-qualified and experienced teaching faculty who extend their support in the constant pursuit of excellence.

The Department of Sanskrit was established in 1978 in the Aided stream and in 1981 in the Self-Supporting stream. From then on, the Department is pioneering in the work relating to the cause of Sanskrit. Currently there are two experienced faculty members in the department. Though Sanskrit is offered as a Part-I Foundation Course and Part-IV Elective, many students have taken up PG in Sanskrit.

ABOUT THE CONFERENCE

Commemorating the 75th Jubilee celebration, the Department of Mathematics and the Department of Sanskrit is jointly conducting a Two Day International Conference on "Indian Contribution to Mathematics - Ancient & Modern" on 13th & 14th October 2022.

The two-day conference highlights the contribution of this ancient land of India in the field of Mathematics and provides opportunities for modernists to delve into bridging the gap. It will serve as a platform for research scholars, academicians and students to enrich their knowledge and share their experiences in the field of ancient and modern Mathematics.
