ABOUT THE COLLEGE

Ethiraj College for Women, Chennai, was founded by Thiru V.L. Ethiraj in 1948. Situated in the heart of Chennai in a campus of 9 acres, the College stands self-contained with prestigious structures. The National Institution Ranking Framework (NIRF) awarded the 65th Rank at the All-India level for 2022. It has also received the College with Potential for Excellence (CPE) award from the UGC. Thousands of students have passed out of the College, carrying with them the aura and dignity of the Institution itself. The College has exemplary academic records and a constant zeal for upgrading skills and knowledge.

ABOUT THE DEPARTMENT

The Department of Microbiology was inaugurated in the year 1997 and was upgraded as a Postgraduate Department in the year 2006 with well-equipped laboratories and experienced faculty. To encourage research, the Department has organized various Seminars, Workshops, Guest Lectures, and Conferences both at the State and National levels, and has completed 25 glorious years.

ABOUT THE CONFERENCE

Our mother planet Earth is home to every living being. Global human community stands at the threshold of exploring new ideas in tackling the triple crisis of erosion of biodiversity, climate change and environmental pollution. Caused by unsustainable and selfish depletion of natural resources, these crisis force mankind to pay unimaginable price to amend it. This conference aims to leverage the fresh ideas and findings of the research community across the nation to mitigate the challenges faced in conserving Mother nature and life systems around it.
