### **INSTITUTIONAL DISTINCTIVENESS**

- Staying true to its motto, "To strive, To seek, To find, and Not to yield," the institution is dedicated to empowering women through academic excellence, while also fostering a deep sense of compassion and social responsibility. This commitment distinguishes the college from others.
- All college initiatives throughout the year are centered on the ultimate goal of enhancing the quality and empowerment of women, ensuring they grow into knowledgeable, responsible citizens. The various extension activities and clubs reflect this mission. Programs like the E Cell (Entrepreneurship Cell) and Campus Social Responsibility (CSR) are key initiatives that help the college achieve its objectives in a resourceful manner. These efforts empower students to make informed decisions in life.
